

ANDREW, M

His Excellency
 Capt. Governor and Commander in Chief
 In and over the Province of New Brunswick &c.

The petition of Matthew Andrew Chief of the
 Recharueto Indians in behalf of himself and Tribe
 We the tribe of Recharueto hath remained peaceable
 Subjects to His Majesty King George ever since the
 year Sixty without molesting any of the Kings Royal
 Subjects in their Settlements or Trade and it is our
 Will to remain in peace and Quietness in our Country
 as our Tribe is increasing and our Country Small we
 would wish that our Rights would not be Invaded —
 Our present Grievance is that a John Henderson from
 the River Miramachee has for these two years past
 made a practice of fishing in our Rivers of Pisabegue
 for Salmon without our Liberty or making any
 Agreement with us so as to Deprive us even of
 fishing in the River by threatening to shoot the first
 Indian that shall attempt to fish in the River by which
 Reason a number of our families are Deprived of
 food — we the undersigned Names Beg your
 Excellency to take our Case into your Consideration
 and give us Reliff so as to prevent any Disputes
 that may arise hereafter — Your Excellency
 Will please to Deliver your Orders to us in writing
 And your petitioners in behalf of themselves and
 Tribe will ever be in Duty Bound to pray
